Butter Paper Squishy: Matcha Butter

COLOR VERSION

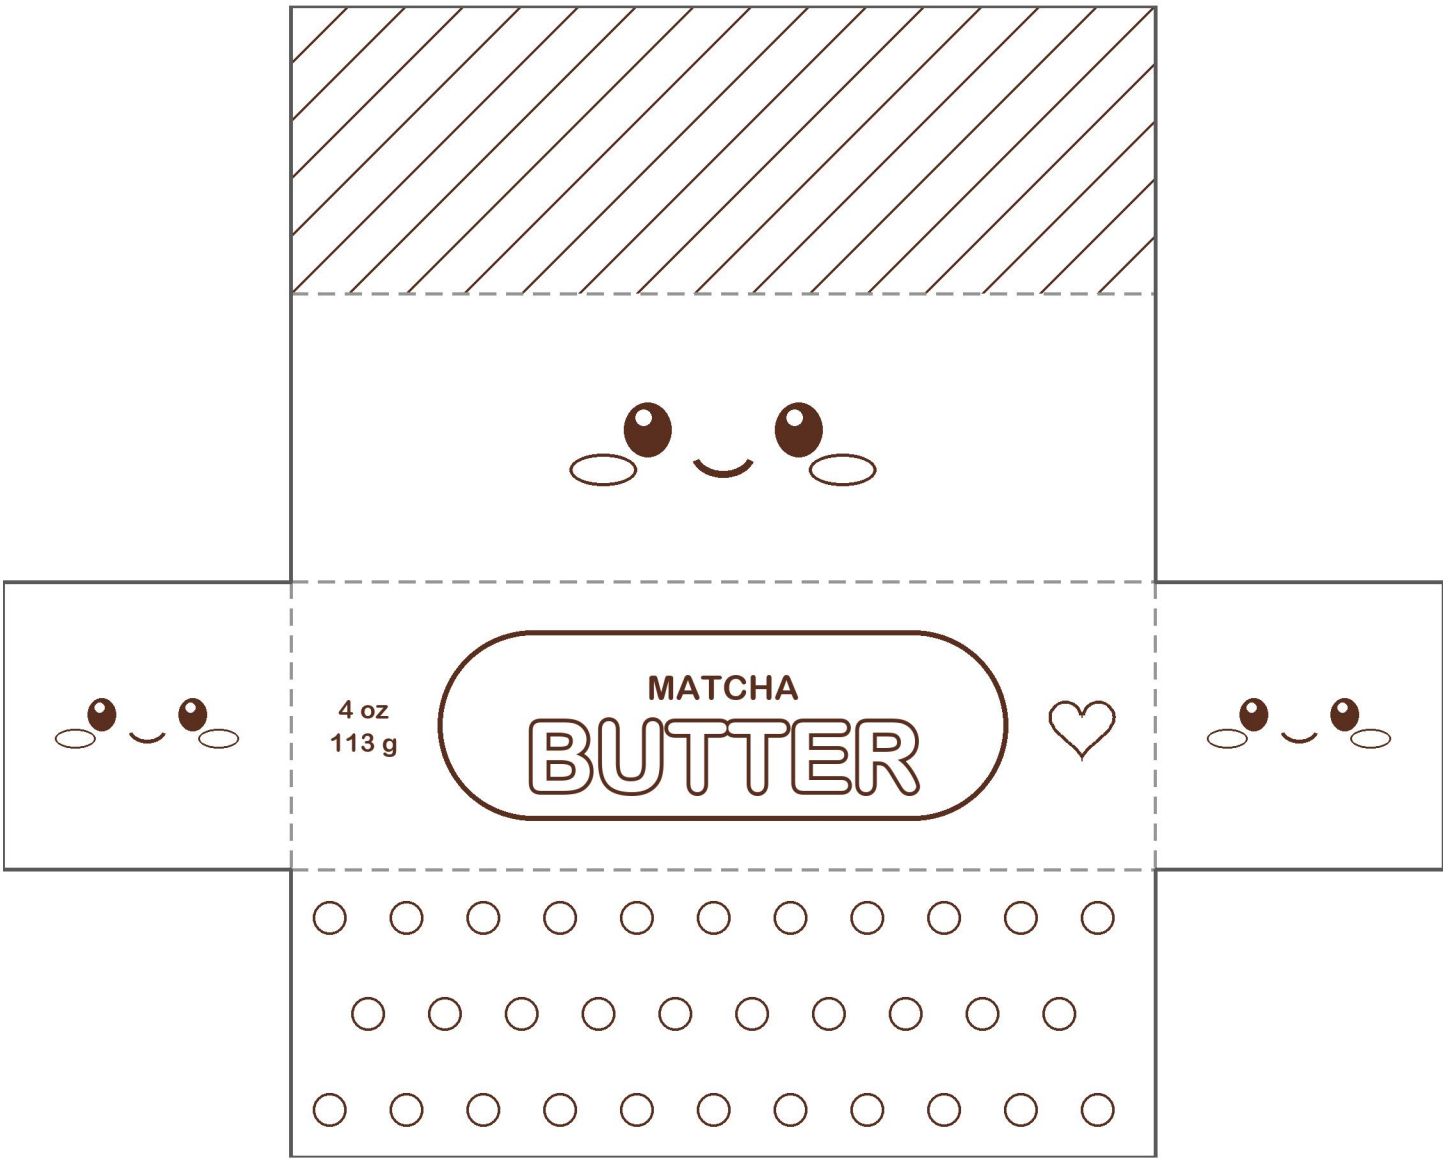

1. Print at 100% / "Actual size" (do not "fit to page").
2. Color it in (or use as is).
3. Cover the printed side with clear packing tape, then cut along the solid outline.
4. Fold along every dashed line so the pictures face out.
5. Tape the long edges together to make a tube, then tape one end shut.
6. Stuff it with plastic bags or cotton, then tape the last end shut.

Ask a grown-up to help with scissors.

Free printable - for personal and classroom use

Butter Paper Squishy: Matcha Butter

COLOR-IT-YOURSELF VERSION

1. Print at 100% / "Actual size" (do not "fit to page").
2. Color it in with markers or colored pencils.
3. Cover the printed side with clear packing tape, then cut along the solid outline.
4. Fold along every dashed line so the pictures face out.
5. Tape the long edges together to make a tube, then tape one end shut.
